

Norcool – Cave 40

The Cave 40 offers perfect wine storage for connoisseurs who love to savor their wine with friends. It's ideal for everyday use but offers a large storage capacity for approximately 40 standard 75 cl bottles of wine, meaning there's room for wine to suit everyone's taste.

Product benefits:

- Capacity for approx. 40 standard 75 cl bottles of wine
- High quality oak shelves
- Interior LED lighting with door sensor
- Ultra Violet resistant door glass to provide protection against the harmful effects of the sun on the wine
- Adjustable electronic thermostat
- Low noise level
- Supplied as an integrated model
- Must stand on its own between two modules

Technical Information on Norcool - Cave 40

Energy consumption: 128,8 kWh/year (A)

Capacity: Approx. 40 standard 75 cl wine bottles

Lighting: Light emitting diodes (LED)

Thermostat setting: 8-15 °C

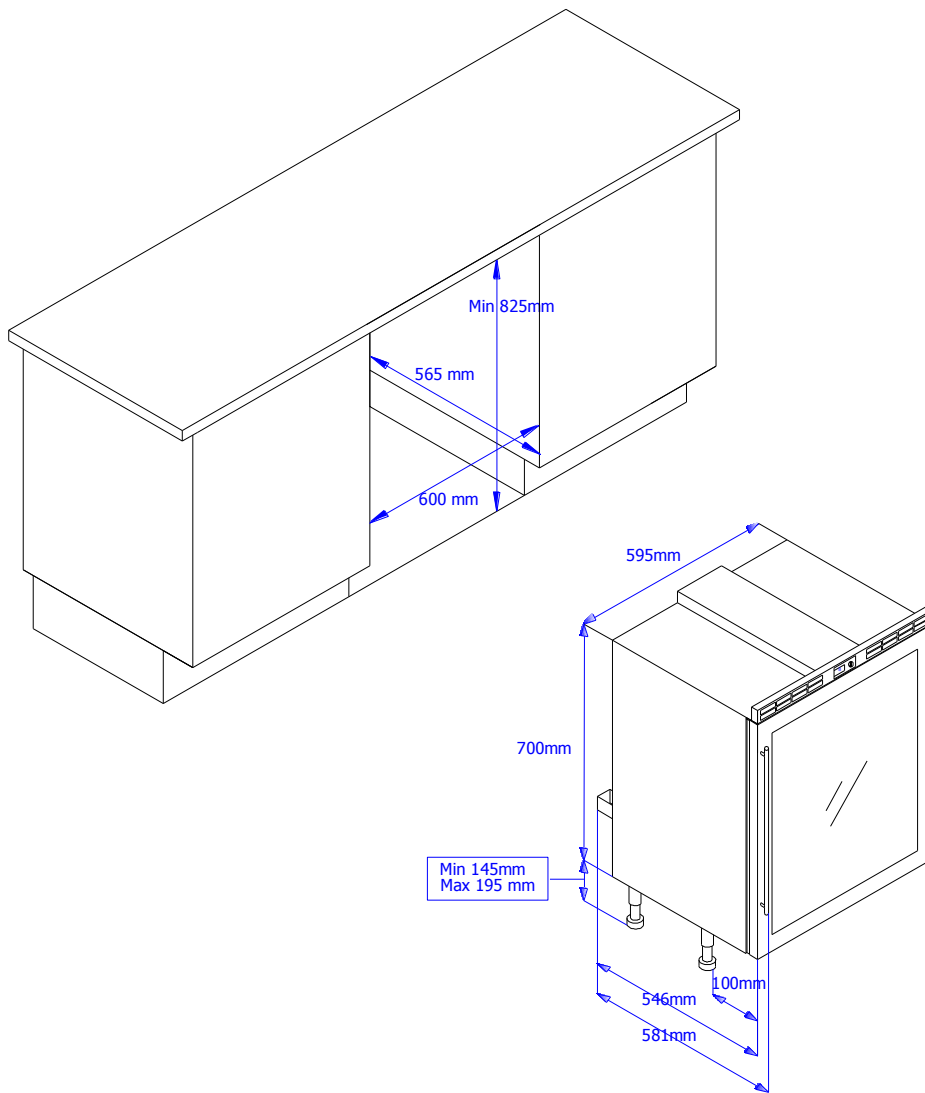

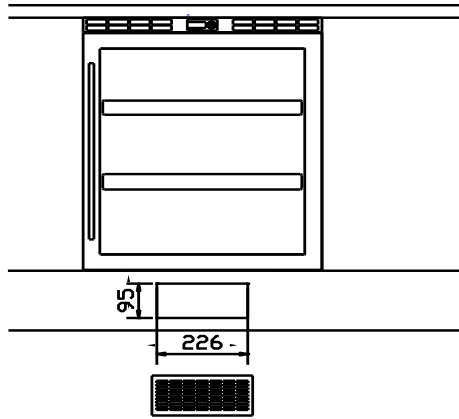

For Integration: Yes, but must stand on its own feet

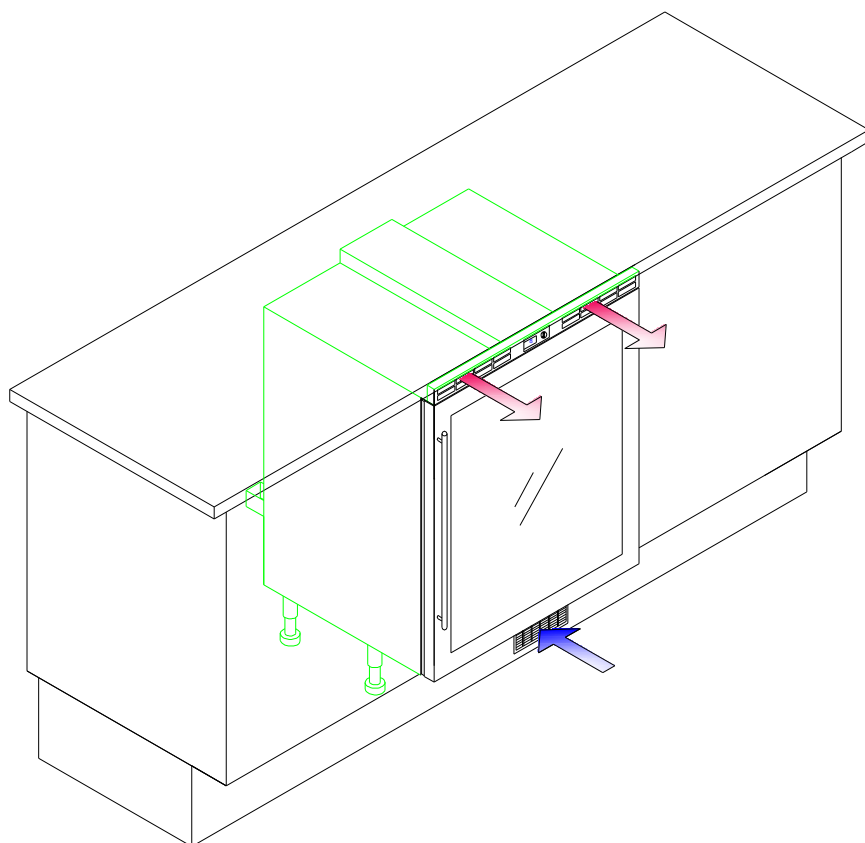

Weight: 43 kg net
